Hello Martin,

Just to make sure my expectations are aligned with your timeline, do you think we would be able to schedule a call with Lt. Blakemore by next week? If not, we can work on setting something up after the holidays.

Let me know.

Thanks,

Aviv

How does your schedule look next week for a 20-30 minute call? I can explain the platform further, and answer any questions you have.

Let me know when works best for you, and I can send a calendar invite.

Thanks,
Aviv
